I don't love you  
I just saw you  
Lovin' someone else  
I don't love you  
Cause I know you  
Playin' yourself  
(I'm not in love with you)

I don't love you  
I just saw you  
Lovin' someone else  
Oh I don't love you  
Cause I know you  
Playin' yourself

You took me out to see the stars  
They shone so bright and flickered in the sky, yeah  
yeah  
You tell me that you're only lovin' me  
Oh baby I don't think you're the type

I don't love you.  
I just saw you.  
Lovin' someone else.  
(With another girl)  
Oh I don't love you  
Cause I know you.  
Playin' yourself.

I don't love you.  
I just saw you.  
Lovin' someone else.  
(With another girl)  
Oh I don't love you  
Cause I know you.  
Playin' yourself.

I saw you comin' and I said  
Why not try playin' with your head  
But then you knocked me off my feet  
It's too late  
You saw me lovin' someone else

It's too late  
And now I'm sittin' by myself

I knew it when I first saw you  
You're the type who plays on the mind  
Ooh, yeah  
I see you tryin' to get to me  
Oh baby I suggest you think twice  
Cause

I don't love you.  
I just saw you.  
Lovin' someone else.  
(Lovin' somebody else)  
Oh I don't love you  
Cause I know you.  
Playin' yourself.

I don't love you.  
I just saw you.  
Lovin' someone else.  
Oh I don't love you  
Cause I know you.  
Playin' yourself.  
(Ooh I love you can I get another chance)

I don't love you.  
I just saw you.  
Lovin' someone else.  
(How can you not love me no more baby)  
Oh I don't love you  
Cause I know you.  
Playin' yourself.  
(I'm sorry what I did please forgive me babe)

I don't love you.  
I just saw you.  
Lovin' someone else.  
Oh I don't love you  
Cause I know you.  
Playin' yourself.  
(I saw you with another girl)

I don't love you  
(Baby can we be friends)  
I don't love you  
(Without you I feel left out)  
I don't love you  
(I can't deal with no more baby)  
I'm so sorry.  
So sorry

Please try to understand.  
I tried so hard not to fall in love with you  
You keep on ignorin' me baby  
Now I know you're gonna hurt me too  
(I don't love you anymore)  
Don't love you  
I don't love you anymore  
Don't love you  
I don't love you anymore  
I don't love you
