Let Me Give You My Love

What a day, young boy next door passed away.
It makes me wanna say,
"Hey, I don't wanna waste another day."
Can you and I start mixing gene pools?
Eastern, Western, people get naughty, multilingual?

I was sort of like soul searching,
But your body's so jaw-dropping,
Our chemistry's ground-breaking,
Don't keep me waiting?

Hurry up baby,
Hurry up baby,
Let me give you my love.
Hurry up,
Lets turn this room into a melting pot?

Giddy up baby,
Giddy up baby,
Let me give you my love.
Buckle up boy,
I know you're gonna like what I got?

Maybe it's not worth the wait.
Maybe I should walk away.
Hey, I don't want to waste my energy.
Can you and I stop acting like fools,
Or move on to other people?
It's funny, but I liked that sad song.

I was sort of like soul searching,
But your body's so jaw-dropping,
Some say it's rule-breaking,
But times are changing?

Hurry up baby,
Hurry up baby,
Let me give you my love.
Hurry up,
Lets turn this room into a melting pot?

Giddy up baby,
Giddy up baby,
Let me give you my love.
Buckle up boy,
I know you're gonna like what I got?

Let me know if what I'm feeling isn't mutual.
All I know is that I'm feeling very very hot?

Hurry up baby,
Hurry up baby,
Let me give you my love.
Hurry up,
Lets turn this room into a melting pot?

Giddy up baby,
Giddy up baby,
Let me give you my love.
Buckle up boy,
I know you're gonna like what I got?

Hurry up baby,
Hurry up baby,
Let me give you my love.
Hurry up,
Lets turn this room into a melting pot?

Giddy up baby,
Giddy up baby,
Let me give you my love.
Buckle up boy,
I know you're gonna like what I got?
