(On & On) [x4]

I just want to dance the night, the night, away
Go ahead and make my day, Mr. DJ
(Make the night go on and on, make the night go on
and on)

[Chorus:]

Honeys, if you're gay, burn it up, like a gay parade
Honeys, if you're straight, bump it up, take it all away
Intoxicated, emancipated, unapologetic's what I am
today
Light me up

[Refrain:]

Make the night go on and on and on
You know we go on and on and on
Make the night go on and on and on
I'm living up my life until the day I die
Don't need a lullaby

Ee oh ee oh (on & on & on) [x4]

Music got me sweating hard
I feel my heart bumping like an 808
Uh huh, okay

Make the night go on and on
If you want to mess with us

Make the night go on and on
You can play the game with us

[Chorus]

Honeys, if you're gay, burn it up, like a gay parade
Honeys, if you're straight, bump it up, take it all away
Intoxicated, emancipated, unapologetic's what I am
today
Light me up

[Refrain]

Make the night go on and on and on

You know we go on and on and on
Make the night go on and on and on
I'm living up my life until the day I die
Don't need a lullaby

Intoxicated, emancipated, unapologetic
On & on, on & on & on
Intoxicated, emancipated, unapologetic is what I am
today
Light me up
Make the night go on and on and on
You know we go on and on and on
Make the night go on and on and on...
