There's a song that's inside of my soul It's the one that I've tried to write over and over again I'm awake in the infinite cold But You sing to me over and over and over again

## CHORUS:

**MotoLyrics** 

So I lay my head back down And I lift my hands And pray to be only Yours I pray to be only Yours I know now you're my only hope

Sing to me the song of the stars Of Your galaxy dancing and laughing And laughing again When it feels like my dreams are so far Sing to me of the plans that You have for me over again

## CHORUS:

So I lay my head back down And I lift my hands and pray To be only yours I pray to be only yours I know now you're my only hope

I gave you my empathy I'm giving You all of me I want Your symphony Singing in all that I am At the top of my lungs I'm giving it back

So I lay my head back down And I lift my hands and pray To be only yours I pray to be only yours I pray to be only yours I know now you're my only hope
