I can't be with you tonight  
distance is my alibi  
you are the one

Tell me that you understand  
on I wish I could hold your hand  
cause you, you are the one

Like a lonely satellite  
you saw me drifting in the sky  
you are the one  
Love is what is all about  
so we live to work it out  
you babe, you are the one

You are the one  
you are the queen  
heal my life  
treat me right  
You are the one  
you are my queen  
and nobody else  
will ever take your place  
cause you

I am just a little dream  
that you dream on certain nights  
you, babe, you are the one  
I'll be there when you call  
anytime, around the world  
cause you babe, you babe,  
you are the one.

You are the one  
you are the queen  
burn me all  
body and soul  
You are the one  
you are my queen  
and nobody else  
can ever take your place

cause you  
are the one

You are the one  
you are the queen  
heal my life  
treat me right  
You are the one  
you are my queen  
and nobody else  
will ever take your place  
cause you  
are the one
