Rock Paper Scissors

You're just a junk yard of emotions  
I got the notion to throw you out  
And move on

I'm in a funk, I'm so confused  
Am I being used? I still have my doubts?  
Shall I stay? or go??

Well, should I stay or go?  
Shall I stay or go?  
Shall I stay or go?  
Oh, rock, paper, scissors  
Is gonna tell me so

I've got your world in my hand  
A split decision puts you outside  
With just a flick of my wrist  
Should I stay? or go??

Well, should I stay or go?  
Shall I stay or go?  
Shall I stay or go?  
Oh, rock, paper, scissors  
Is gonna tell me so

(Rock, paper? rock, paper, scissors)

Down to the wire you stupid liar  
You'd think it would be simple to brush you out of the  
way

Well, should I stay or go?  
Well, should I stay or go?  
Well, should I stay or go?

Well, should I stay or go?  
Well, should I stay or go?  
Well, should I stay or go?  
Well, should I stay or go?

Oh, rock, paper, scissors  
Is gonna tell me so

Oh, should I stay or go?
