### "Careful"

You walked in and hit me  
With a stun gun to the chest  
I hope I can move pretty soon  
Cuz you're giving me that look  
Like "What's wrong?"  
What's wrong?

I'm trying to hold back just enough  
Invite you in but then keep you waiting  
Til I can sort out just what to say  
Careful not to give it away

You're waiting for my next move  
If you only knew that I don't have one  
Cuz it's give and take  
It's a game  
And I think it's your turn  
Or is it mine?  
Is it mine?

I'm trying to hold back just enough  
Invite you in but then keep you waiting  
Til I get a clue that I'm doing okay  
Careful not to scare you

I'm a little nervous  
I don't want to ruin this  
I'm a little nervous  
I don't want to ruin this  
I'm a little nervous  
I don't wanna ruin this  
I'm a little nervous  
I don't wanna ruin this  
I'm a little nervous  
But it's not such a bad thing

I'm trying to hold back just enough  
Invite you in but then hesitate  
I wish I could say just what I mean  
But I'm careful not to scare you  
I'm trying to but it's not really working

Trying to hold back  
Careful not to scare you  
Careful not to give it away
