Boy
Boy

Now in the street there is violence
An' an' a lots of work to be done
No place to hang all our washing
An' an' I can't blame all on the sun

Oh no, we gonna rock down to Electric avenue
And then we'll take it higher
Oh we gonna rock down to Electric Avenue
And then we'll take it higher

Workin' so hard like a soldier
Can't afford a thing on TV
Deep in my heart I am warrior
Can't get food for them kid

Good God, we gonna rock down to Electric avenue
And then we'll take it higher
Oh we gonna rock down to Electric Mexico
And then we'll take it higher

Oh no
Oh no
Oh no
Oh no

Oh Lord, we gonna rock down to Electric Mexico
And then we'll take it higher
Oh we gonna rock down to Electric Mexico
And then we'll take it higher

Who is to blame in one country?
Never can get to the one
Dealin' in multiplication
And they still can't feed everyone

Oh no, we gonna rock down to Electric Mexico
And then we'll take it higher
Oh no, we gonna rock down to Electric Mexico

And then we'll take it higher

Oh, out in the street
Out in the street
Out in the daytime
Out in the night

Oh, we gonna rock down to Electric Mexico
And then we'll take it higher
Oh, we gonna rock down to Electric Mexico
And then we'll take it higher

Out in the street
Out in the street
Out in the playground
In the dark side of town

Oh, we gonna rock down to Electric Mexico
And then we'll take it higher
Hey, we gonna rock down to Electric Mexico
And then we'll take it higher

We gonna rock down to Electric Mexico
And then we'll take it higher, Electric Mexico
We gonna rock down to Electric Mexico
And then we'll take it higher, Electric Mexico
