1,2,3,4!!

Road trip, of the late at night
Getting wasted, do my last line
Yea!

Goin' in my chevy
Gonna bottom up heavy
Light my cigarette and feelin' fine

I tell you what I want
I wanna burn out of control
And then I'll take my life

I'm goin' down
I've got a timebomb tickin' and it's taking away...
(down)
...all my nine lives in a HEARTBREAK, SUICIDE!

Do it, don't stop now
Take off, out of my life

When I'm talkin' to myself
It's better for my health
To take another drink to keep me high

Goin' for the light
In the middle of night
I won't fuckin' waste my time

I'm goin' down
I've got a timebomb tickin' and it's taking away...
(down)
...all my nine lives in a HEARTBREAK, SUICIDE!

I'm goin' down
I've got a timebomb tickin' and it's taking away...
(down)
...all my nine lives, all my fuckin' nine lifes

I'm goin' down
I've got a timebomb tickin' and it's taking away...

(down)

...all my nine lives in a HEARTBREAK, SUICIDE!
