"I Belong To Yesterday"

This life is not for me tomorrow
This life is not for me today
I wish I took the time to follow
Instead of beggin' you to stay

The world that keeps turnin'
I'd like to rewind
Relive those moments
That I left behind

Yesterday
Life if a memory
Yesterday
A mind of make believe
I can't stay in fake reality
I belong to yesterday

Now, every minute last forever
Then, every minute slipped away
Words could have kept our hearts together
Regret the words I didn't say

The times that I've wasted
I'd like to redo
Repaint those moments
I colored in blue

Yesterday
Life if a memory
Yesterday
A mind of make believe
I can't stay in fake reality
I belong to yesterday

So tell me what I'm gonna do now
Already half a day away from you

Yeah, tell me what I'm gonna do now
I guess it shows that I never really knew
