i was born in a cross fire hurrican
and I howled at my ma in the driving rain
but its all right now matter of fact its a gas etc

I was raised by a toothless bearded hag
I was schooled with a strap right across my back
but its all right etc

I was (drowned) I was washed up and left for dead
I fell down to my feet and I saw they bled (Reference to
cruifiction?)
I frowned at a crumb of a crust of bread
I was (drowned) with a spike right through my head
