Another dirty line
Welcome to a journey thru my wicked mind, baby!
It's like a tug-o-war
Can't control my feelings when I want more

It looks so easy when you're on the other side
It's never easy once you've tried

I wanna break free
This shit is killing me
My mind pollution
It's gonna break me
This shit is never free
My mind pollution

I got to get away
I hate this burnin' feeling that's inside of me
My body hits the ground
Emotions set in motion when I'm coming down

It looks so easy when you're on the other side
It's never easy once you've tried

I wanna break free
This shit is killing me
My mind pollution
It's gonna break me
This shit is never free
My mind pollution

There's a hole in the middle of the bathroom wall
Thought I'd be safe there
Tried to crawl in but it was too small
And now I'm stuck here in my wall

I wanna break free

This shit is killing me
My mind pollution
It's gonna break me
This shit is never free
My mind pollution

It's gonna break me
This shit is never free
Break free
This shit is killing me
