Woah!  
Oh Yea!

Janey's comin' home on a saturday night  
Move to the city, partying all the time  
This is what she wants, this is all she needs  
Full blown make-up and her trashy jeans

Down in the city things were happening fast  
Janey slips the whiskey from the bottle at last  
Guys watching Janey, they're talking 'man to man'  
I'm gonna tell you 'bout Janey way back then!

Do you remember back in '99?  
It was new years eve, we were havin' our time  
Girls shaking ass on the dance floor  
Janey was so hot, she's coming back for more!

Well she's gonna get to you  
She's gonna get to you  
You better watch out, honey!  
NO ONE'S GONNA DO IT FOR YOU!

Janey's comin' home, Janey's comin' home  
Janey's coming home tonight  
Janey's comin' home, Janey's comin' home  
Janey's coming home tonight

Janey's coming home on a Saturday night!  
Move to the city, partying all the time  
This is what she wants, this is all she says  
Janey's got a gun, she's gonna blow you away!!

Well she's gonna get to you  
She's gonna get to you  
You better watch out, honey!  
NO ONE'S GONNA DO IT FOR YOU!
