We got somethin' we both know  
and we don't talk too much about it  
Ain't no real big secret, all the same,  
somehow we get around it  
Now listen, it don't really matter to me baby  
You believe what you want to believe

You don't have to live like a refugee  
(Don't have to live like a refugee)

Somewhere, somehow, somebody  
must have kicked you around some  
Why you wanna lay there,  
revel in your abandon  
Honey, it don't make no difference to me baby  
Everybody has to fight to be free

You don't have to live like a refugee  
(Don't have to live like a refugee)  
No you don't have to live like a refugee  
(Dont have to live like a refugee)

Baby we ain't the first  
I'm sure a lot of other lovers been burned  
Right now it ain't real to you  
It's one of those things you gotta feel to be true

Somewhere, somehow, somebody  
must have kicked you around some  
Who knows maybe you were kidnapped,  
tied up, taken away and held for ransom  
Honey, it don't make no difference to me baby  
Everybody has to fight to be free

You don't have to live like a refugee

(Don't have to live like a refugee)  
No you don't have to live like a refugee  
(Dont have to live like a refugee)  
No you don't have to live like a refugee  
Oh oh oh  
No you don't have to live like a refugee  
I say you don't have to live like a refugee
