Darling denise
You're frustrating me
Complicating my dreams
Like wind through the leaves
You're shaking my knees
Yes i firmly believe
I've fallen for thee

They told me to turn fast and run
All of those men now just skeletons
Who died at your feet
But of course i'm as dumb as they come
I wanted to meet you, to hold you,
To claim you for me

Oh desire is cheap
Oh but it's more now i see

Darling denise
You're frustrating me
Complicating my dreams
Like wind through the leaves
You're shaking my knees
Yes i firmly believe
I've fallen for thee

Like a statue in a temple in a place
Hidden so deep in the jungle
Where no one can reach
Now that i'm faced with your grace
I am defenseless against this
Embarrassing speech

Oh how i want to be
Oh the king to your queen

Darling denise
You're frustrating me
Complicating my dreams
Like wind through the leaves
You're shaking my knees

Yes i firmly believe
I've fallen for thee

How foolish of me to believe that i could be the one
To reverse all the stories of good men before me
Who all came undone

Darling denise
I've fallen for thee
