you're being cheeated
there's suspicion on your mind
but you don't believe it
you pretend that things are fine

cuz you don't know what i know
no, you don't know what i know
no, you don't know what i know
the guilt is choking me alive

so please...please don't accept my apology
please...please don't accept my apology
please...i'll never stop if i get off free
you're making it too easy on me

i've been leaning
on a flimsy alibi
so understanding
you pretend that things are fine

cuz you don't know what i know
no, you don't know what i know
no, you don't know what i know
if you did you'd say goodbye

so please...please don't accept my apology
please...please don't accept my apology
please...i'll never stop if i get off free
you're making it too easy on me

and we look each other in the eyes
but every word we say's a lie
and our carelessness will catch up in time

so please...please don't accept my apology
please...please don't accept my apology
please...i'll never stop if i get off free
you're making it too easy on me
too easy on me
i'll never stop
no, i'll never stop

so please...stop making it too easy
i'll never stop, i'll never stop, i'll never stop
