by the looks of you  
judging from the way you move  
i'd really like to be the one who takes you home

you could make my fantasy  
a real life story  
i really want to be the one who turns you on

so tell me what's the point of this  
when the teasing never leads to a kiss  
just you and your power trip

like a stray dog  
wagging his tail along  
it's really not hard to see what i want

i'd like to have a word with you  
i'd like to physically hurt you  
i'd really like to wrestle you down and make you my  
own

so tell me what's the point of this  
when the teasing never leads to a kiss  
just you and your power trip  
i know you get off on it  
just you and your power trip  
i know you get off on it  
everybody

get off
