Sometimes as I look backon the things I used to do
Rememberin' all the things I been through
I tell myself, should've known, as it seems we always
do
But man, if I only knew

Chorus:

Never said it was gonna be easy
Days were long and the nights were neverending
Never said it was gonna be easy
But oh, I'd do it all again

People always told me, "You'd be better off in school"
Join the race, learn the golden rule
But music taught me so much more than I could ever
sing
And man, I wouldn't change a thing

(Chorus)

So many nights I'd look to the sky
And wonder where I am
But nowhere in sight, I'm trying again
Tryin' with all my might ... never again

(Chorus)

Sometimes as I look back on the things I used to do
Rememberin' all the things I been through
I tell myself, should've known, it seems we always do
If I only knew

I'd do it all again

(Repeat Chorus & Fade)
