To really love a woman  
To understand her  
You gotta know her deep inside  
Hear every thought  
See every dream  
N' give her wings -  
When she wants to fly  
Then when you find yourself  
Lyin' helpless in her arms  
Ya know ya really love a woman

When you love a woman you tell her  
That she's really wanted  
When you love a woman you tell her  
That she's the one  
Cuz she needs somebody to tell her  
That it's gonna last forever  
So tell me have you ever really  
Really really ever loved a woman?

To really love a woman  
Let her hold you  
Till ya know how she needs to be touched  
You've gotta breathe her  
Really taste her  
Till you can feel her in your blood  
And when you can see your unborn children  
In her eyes  
Ya know ya really love a woman

You got to give her some faith  
Hold her tight  
A little tenderness  
Gotta treat her right  
She will be there for you,  
Takin' good care of you  
Ya really gotta love your woman...
