How long has it been?
Shall we get into it again?
Excuse our disgrace
We've had no time to paint the place
The dog is always barking at the mailman

I wont waste your time with my revelation
Hello my friend I see you're back again
Hello mystery dont bother to explain
How bout maybe its all been in my head
Hey world im tired of this Black and Blue
Black and Blue

My dear, come again
Your voice is fading out and in
Out of the laundry bin
Ive found my innocence again

The dog, is always barking at the mailman

I wont waste your time with my revelation
Hello my friend I see you're back again
Hello mystery dont bother to explain
How bout maybe its all been in my head
Hey world im tired of this Black and Blue
Black and Blue

Hello my friend I see your'e back again
Hello mystery dont bother to explain
How bout maybe its all been in my head
Hey world im tired of this Black and Blue
Black and Blue
