I was born into money
And sold down the river
I was choked by the jailer
And fucked the gorilla

I ran through the country ahead of my time
I escaped through a keyhole before they erased me
I married the beetle and learned to be graceful
It's why all this warfare pours out of my eyes

Now I see just what you mean
It hurts too much to breathe
All alone in this plastic jungle
Sometimes I wanna get slain

I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain
I wanna get la, la, la, la, la

She told me, loved me
I didn't believe her
The son of a junkie is ancient Korean
But don't blame the girl she's out of her mind

Now I see just what you mean
It hurts too much to bleed
All alone in this plastic jungle
Sometimes I wanna get slain

I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain
I wanna get la, la, la, la, la

Sometimes I wanna get
Sometimes I wanna get
Sometimes I wanna get slain

I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain
I wanna get slain, I wanna get slain

I wanna get la, la, la, la, la
