Dreams Of Apocalypse

Dances Of Sanguinous Moons  
The Songs Of Soundless Mouths  
The Mystery Of Ancient Runes  
From The Ancient Times  
The Night Consumes A Day  
With A Light Of A Nocturnal Star  
The Black Shadow Of Hatred  
Is Radiant With Pain  
The Heralds Of Evil Death  
Dark Shades Of Evil  
Leftovers Of Empty churches  
Corpses... Ashes...  
The Glowing Coal Of Eyes  
Thaws Down The Reason's Ice  
The Diamond Of A Black Moon  
Calls You Onward Beyond The Life

The Flaming Armageddon  
Thrust Onto The Night  
The Devil's Daughter Rides  
The Bloody Stallion  
As The Omen In Silence  
Summoning The Demons' Horde  
Crushing Down To The Dust  
The Hopes Of christian pigs

Dances Of Sanguinal Moons  
In The Ruins Of Great Mountains  
The Axe Of War Is Speckled With  
The Mystery Of Ancient Runes  
The Thick Black Shadow  
Thirsts For Blood Of pigs  
The Night Murders The Day  
With Light Of A Nocturnal Star
