Holywar

[M/L: Jevo]

In the name of the Holy Scriptures,
The iman's calling us to war.
Tearing down the Western Countries
So many infidels will fall

We will fight
Fight this...

Holywar, for Allah I give my life
Holywar, we are not afraid to die.

Together we stand
Together we fight
The only way...Holywar.

Overthrow the Christian Devil
Mahomet's words we shall obbey
Sacrifice our lifes for the Islam
Allah awaits beyond the veil.

We will fight
Fight this...

Holywar, for Allah I give my life
Holywar, we are not afraid to die.

Together we stand
Together we fight
The only way...Holywar.

We will fight
Fight this...

Holywar, for Allah I give my life
Holywar, we are not afraid to die.

Together we stand

Together we fight
The only way...Holywar.
