Revenge (Shadow Of The King Part III)

[M/L: Mikel]

Rain's falling down I see the mist begins to rise
I'm coming back to spew my fire
A yearning vengeance feeds my hunger every night
Just one desire burns inside my head

Closer is coming closer
A demon's rising by my hand ready to die
Stronger I'm feeling stronger
Courageous power down from hell up to the sky

Shadowking's still alive
Shadowking is the one
From the fire of death has returned
At the end of the light
Face to face we will fight
A new kingdom a new freedom call
Revenge has begun

Years full of silence anger misery and pain
An evil nightmare cold of darkness
A new beginning comes a place we all can go
One hope of freedom just before the storm

Higher please take me higher
I feel the thunder's power running through my veins
Closer it's coming close to me
I feel the battle's fury hate's my only friend

I've come back reborn by the light of the day
I've walked among the dead but now I'm free again
Here to bring freedom and justice for all who fight by
my side
For one kingdom

King....will you follow me?
Aclaiming freedom a new better world
Strong...I will fight for you

All together we'll break down the wall

Shadowking's still alive
Shadowking is the one
From the fire of death has returned
At the end of the light
Face to face we will fight
A new kingdom a new freedom call
Revenge has begun
