You are the Lord,  
The Famous One, Famous One  
Great is Your name in all the earth  
The heavens declare You're glorious, glorious  
Great is Your fame beyond the earth

And for all You've done and yet to do  
With ev'ry breath I'm praising You  
Desire of nations and ev'ry heart  
You alone are God, You alone are God

You are the Lord,  
The Famous One, Famous One  
Great is Your name in all the earth  
The heavens declare You're glorious, glorious  
Great is Your fame beyond the earth

The Morning Star is shining through  
And ev'ry eye is watching You  
Reveal Thy nature and miracles  
You are beautiful, You are beautiful

The Morning Star is shining through  
And ev'ry eye is watching You  
Reveal Thy nature and miracles  
You are beautiful, You are beautiful

You are the Lord,  
The Famous One, Famous One  
Great is Your name in all the earth  
The heavens declare You're glorious, glorious  
Great is Your fame beyond the earth

You are the Lord,  
The Famous One, Famous One  
Great is Your name in all the earth  
The heavens declare You're glorious, glorious  
Great is Your fame beyond the earth
