We bow our hearts, we bend our knees  
O Spirit come make us humble  
We turn our eyes from evil things  
O Lord we cast down our idols

Give us clean hands give us pure hearts  
Let us not lift our souls to another  
Give us clean hands, give us pure hearts  
Let us not lift our souls to another

O God let us be a generation that seeks  
That seeks Your face, O God of Jacob  
O God let us be a generation that seeks  
That seeks Your face, O God of Jacob

We bow our heart and we bend our knees  
O Spirit come make us humble  
We turn our eyes from evil things  
O Lord we cast down our idols

So give us clean hands and give us pure hearts  
Let us not lift our souls to another  
Give us clean hands, give us pure hearts  
Let us not lift our souls to another

O God let us be a generation that seeks  
That seeks Your face, O God of Jacob  
O God let us be a generation that seeks  
That seeks Your face, O God of Jacob

So give us clean hands and give us pure heart  
Let us not lift our souls to another  
Give us clean hands, give us pure hearts  
Let us not lift our souls to another

O God let us be a generation that seeks  
That seeks Your face, O God of Jacob  
[acapella]  
O God let us be a generation that seeks  
That seeks Your face, O God of Jacob

So give us clean hands, give us pure hearts

Let us not lift our souls to another  
Give us clean hands, O God,  
Give us pure hearts  
Let us not lift our souls to another
