He sits in your room, his tune with a fistful of tracks  
Preoccupied with his vengeance  
cursing the dead that can't answer him back  
You know that he has no intentions  
Of looking your way, unless, it's to say that he needs  
you  
to test his inventions

Hey! Crawl out your window, e'mon don't say it'll ruin  
you  
Come on down't say he'll haunt you  
You can go back to him anytime you want to

He looks so truthful - is this how he feels?  
Trying to peel the moon and expose it  
With his business ander and his blood hounds that  
kneel  
If he needs a third eye, he just grows it  
He just needs you tot talk, or to hand him his chalk  
Or pick it up after he throws it ...

Hey! Crawl out your window, e'mon don't say it'll ruin  
you  
Come on down't say he'll haunt you  
You can go back to him anytime you want to

Why does he look so righteous, while your face is so  
changed  
Are you frightened of the box you keep him in  
While his genocide fools and his friends rearrange  
Their religion of little tin women  
To back up their views, but your face is so bruised  
Come out! The dark is beginning

Hey! Crawl out your window, e'mon don't say it'll ruin  
you  
Come on down't say he'll haunt you  
You can go back to him anytime you want to
