My number one, there could never be no one like you

How come I feel this way about

My number two, never tried to tell me what to say or do

I'm so in love with two

Bridge.

I don't want to push it

I don't want to fight

But this feeling keeps me up all night

Chorus.

If I only could decide

But I can't make up my mind

I'm breakin' all my rules because of you

You can tell me it's not right

And it tears me up inside

But the problem is I'm so in love with two

Hey yeah, hey yeah, hey yeah hey hey

I don't know what to do

Hey yeah, hey yeah, hey yeah hey hey

I'll choose the both of you

My number one, you give me everything I need

But some things still are better with

My number two,he's the one that really makes me feel
so good

I'm so in love with two

Repeat Bridge & Chorus.

Oh,oh

But the problem is I'm so in love with two

Hey yeah,hey yeah,hey yeah hey hey

I don't know what to do

Hey yeah,hey yeah,hey yeah hey hey

I'll choose the both of you

Don't want to fight,another night

Just want to make it right

C'mon

Ooh,my number one,oh,my number two,oh

Somebody tell me what I'm supposed to do

My number one (my number one)

my number two (my number two)

Somebody help me

I'm so in love with two

Repeat Chorus Twice.

Hey yeah,hey yeah,hey yeah hey hey

I'll choose the both of you
