Oh yeah
Hey, hey, hey
I don't know what to do
Hey yeah

My number one
There could never be no one like you
How come I feel this way again
My number two
Never tried to tell me what to say or do
I'm so in love with two

I don't want to push it
I don't want to fight
But this feeling keeps me
Up all night

If I only could decide but I can't make up my mind
I'm breakin' all my rules because of you
You tell me it's not right and it tears me up inside
But the problem is I'm so in love with two

Hey, hey, hey
I don't know what to do
Hey, hey, hey
I choose the both of you
Hey yeah

My number one
You give me everything I need
But some thinks to I'm better with
My number two
He's the one that really makes me feel so good
I'm so in love with two

I don't want to push it
I don't want to fight
But this feeling keeps me
Up all night

If I only could decide but I can't make up my mind
I'm breakin' all my rules because of you

You tell me it's not right and it tears me up inside
But the problem is I'm so in love with two
But the problem is I'm so in love with two

Hey, hey, hey
I don't know what to do
Hey, hey, hey
I choose the both of you
Hey yeah

Don't want to fight another night
Just want to make it right, c'mon

Ooh, my number one, my number two
Somebody tell me what I'm supposed to do
My number one, my number two
Somebody tell me I'm so in love with two

If I only could decide but I can't make up my mind
I'm breakin' all my rules because of you
You tell me it's not right and it tears me up inside
But the problem is I'm so in love with two

If I only could decide but I can't make up my mind
I'm breakin' all my rules because of you
You tell me it's not right and it tears me up inside
But the problem is I'm so in love with two

Hey, hey, hey
I choose the both of you
Hey yeah
