Well you can give me all your love  
And anything else you got too  
But don't pay it any mind  
If it seems like I'm acting cool

Well you can dress me in your mirror  
Give me kisses forever and a day yeah  
But there's just one thing

You don't have to say  
You don't have to say you love me  
And you don't have to say any prayers  
No you don't have to say you love me  
Baby it's alright

Cos honey I don't care  
Oh baby I don't care  
Oh honey I don't care  
Oh honey I don't care

Well you can turn the lights down low  
Somethings are better that way  
And you can tell me all your stories  
But please spare me the plays

Cos you don't have to say you love me  
And you don't have to save any tears  
No you don't have to say you love me  
Baby it's alright

Cos honey I don't care  
Oh honey I don't care  
Oh baby I don't care  
Oh honey I don't care

Deep in your eyes  
I see your thoughts  
I know you want me  
Sometimes it hurts  
But you know that some things  
Are best left never said

Cos you don't have to say you love me  
And you don't have to say you care  
No you don't have to say you love me  
Baby it's alright

Cos honey I don't care  
Oh when I tell you baby  
I don't care

Oh baby please believe me  
I don't care  
Oh when I tell you baby  
I don't care

Oh baby please believe me  
I don't care  
Oh baby please believe me  
Don't you see that I don't care  
I don't care  
Oh honey I don't care

You know, you know that I don't care  
You know, you know  
That you don't have to say you love me  
And you don't have to say you care

No you don't have to say you love me  
Baby it's alright, oh honey it's alright  
Oh baby I don't care
