I'm gonna find my baby, gonna hold her tight
Gonna grab some afternoon delight
My motto's always been, when it's right, it's right
Why wait until the middle of a cold dark night?

When everything's a little clearer
In the light of day
And we know the night is always
Gonna be there any way

Thinking of you's working up my appetite
Looking forward to a little afternoon delight
Rubbing sticks and stones together makes the sparks
ignite
And the thought of loving you is getting so exciting

Sky rockets in flight
Afternoon delight, oh
Afternoon delight

I started out this morning feeling so polite
I always though a fish could not be caught who
wouldn't bite
But you've got some bait a waiting and I think
I might try nibbling a little afternoon delight

Sky rockets in flight
Afternoon delight
Oh, afternoon delight, yeah

Please be waiting for me
Baby, when I come around
We could make a lot of loving
'Fore the sun goes down

Thinking of you's working up my appetite
Looking forward to a little afternoon delight
Rubbing sticks and stones together makes the sparks
ignite
And the thought of loving you is getting so exciting

Sky rockets in flight

Afternoon delight, oh
Afternoon delight
Afternoon delight
