[Storyteller:]

"Once in lands far beyond  
He would better never ever  
Having started journeys in worlds down below  
He has now choices now  
Has to get back somehow"

[Pathfinder:] "What if I break down?"

[Demon:] "I'll welcome you here!"

[Pathfinder:] "No!"

[Demon:]

"What you name a world below  
Will rise as worlds are turning though"

[Pathfinder:]

"I resist and I refuse if I had a chance to choose, I  
would escape!"

[Demon:] "Pushed onto the ground"

[Storyteller:]

"And as the story goes a sallow light appears  
It's taking shape: An angel sings to ease the fear"

[Angel:]

"In dark hours so cruel  
When you feel blackhearted  
Remember the words  
You once had said  
If you trust in yourself  
You will live lighthearted  
Destiny's calling  
Be there to change your fate"

[II BATTLE]

[Storyteller:]

"Once as time was moving on"

[Demon:]

"Blame me for forsaking you?  
If I let you, I would do!"

[Pathfinder:]

"You won't crawl into my mind  
Leave me speechless leave me blind  
Still I can hear you"

[Demon:]

"I growl and die inside"

[Storyteller:]

"And he then turns around"

[Pathfinder:]

"Now that you see me stand alone  
Will you come for me?"

[Angel:] "I listen, I'm on my way"

[Pathfinder:] "I need a guide by my side, so I will"

[Angel:]

"I will help you to  
See clearer one day"

[Storyteller:]

"And as the story goes the sallow light returns  
It's spending light and warmth as the fire burns"

[Angel:]

"In dark hours so cruel  
When you feel blackhearted  
Remember the words  
You once had said  
If you trust in yourself  
You will live lighthearted  
Destiny's calling  
No fate is sealed  
If you trust in yourself  
You will live lighthearted  
Destiny's calling  
Be there to change your fate  
And rise a new day"

[Angel:] "Return to places beneath my skies"

[Demon:] "I'm leaving but will return"

[Angel:] "A look inside makes you weak and blind"

[Demon:] "No more! In hell you shall burn!"

[III REDEMPTION]

[Storyteller + Angel:] "Fly high to worlds far away"

[Pathfinder:]

"I would better never ever  
Having started journeys in worlds down below  
I've been uncaged somehow  
Start a new glory now  
Is there a lesson to learn?  
I will return!"

In dark hours so cruel  
When I felt blackhearted  
I remembered the words  
I once had said  
Yes I trust in myself  
Feel strong and lighthearted  
Destiny's calling  
I will be there  
Every task to be done  
I'll carry out bravehearted  
A mission to face?  
I'll stand my ground  
And in every night  
You will shine lighthearted  
This story may end  
Another one will unfold"  
Story teller:  
"For now this story shall end"
