End of passion play, crumbling away  
I'm your source of self-destruction  
Veins that pump with fear, sucking darkest clear  
Leading on your deaths construction  
Taste me you will see  
More is all you need  
Dedicated to  
How I'm killing you

Come crawling faster  
Obey your Master  
Your life burns faster  
Obey your Master  
Master

Master of Puppets I'm pulling your strings  
Twisting your mind, smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, 'cause I'll hear you scream  
Master  
Master  
Just call my name, 'cause I'll hear you scream  
Master  
Master

Needlework the way, never you betray  
Life of death becoming clearer  
Pain monopoly, ritual misery  
Chop your breakfast on a mirror  
Taste me you will see  
More is all you need  
Dedicated to  
How I'm killing you

Come crawling faster  
Obey your Master  
Your life burns faster  
Obey your Master  
Master

Master of Puppets I'm pulling your strings  
Twisting your mind, smashing your dreams

Blinded by me, you can't see a thing  
Just call my name, 'cause I'll hear you scream  
Master  
Master  
Just call my name, 'cause I'll hear you scream  
Master  
Master

Master, Master, where's the dreams that I've been  
after?  
Master, Master, you promised only lies  
Laughter, laughter, all I hear or see is laughter  
Laughter, laughter, laughing at my cries  
Fix me!

Hell is worth all that, natural habitat  
Just a rhyme without a reason  
Neverending maze, Drift on numbered days  
Now your life is out of season  
I will occupy  
I will help you die  
I will run through you  
Now I rule you too

Come crawling faster  
Obey your Master  
Your life burns faster  
Obey your Master  
Master

Master of Puppets I'm pulling your strings  
Twisting your mind, smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, 'cause I'll hear you scream  
Master  
Master  
Just call my name, 'cause I'll hear you scream  
Master  
Master
