[Chorus x2:]

Master!
Apprentice!
Heartborne, 7th Seeker
Warrior!
Disciple!
In me the Wishmaster!

Elbereth
Lorien

A dreamy-eyed child staring into night
On a journey to storyteller's mind
Whispers a wish speaks with the stars the words are
silent in him
Distant sigh from a lonely heart
"I'll be with you soon, my Shalafi"
Grey Havens my destiny

[Chorus]

Silvara
Starbreeze

Sla-Mori the one known only by Him
To august realms, the sorcery within
If you hear the call of arcane lore,
Your world shall rest on Earth no more
A maiden elf calling with her cunning song
"Meet me at the Inn of Last Home"
Heartborne will find the way!

[Chorus x2]

Wishmaster
Crusade for Your will
A child, dreamfinder
The Apprentice becoming...

[Chorus x3]
