90 days on the road is what i need
When my axe cuts me deep, i let it bleed
On the stage, off my strings, down my face
And all over me
Pumpin' up for the show
Feelin' like something's gonna blow
S'got me all fired up
Yes, i'm all fired up
Through the ice into the fire
Blowin' steam
North and south, east n'west, right n'left
I'm always extreme
Don't like the middle squeezing me
I don't like nothin' in between
Yes, i'm all fired up
Got me all fired up
When the rest have packed it up
I'm alive, i'm electric, inspired
I, i'm naturally wired
Wired, naturally wired
Wired, wired
I'm naturally wired
Naturally wired
Wired, naturally wired
Wired, naturally wired
