The love in me is never straight and narrow
Unless the love is tried and true
You take a chance with new beginnings
Still we try, win or lose, take the highs
With the blues

Chorus:

Always one more, you're never satisfied
Never one for all, only one for me
So why draw the line, meet you half the way
If you don't know what that means
I feel like running politician

Just trying to please all the time
I give you my share with no conditions
Going wide, running long, feeling lost
But not for a long

Chorus

Solo
