Ow!

Ow, yeah

You know

Ow!

Ow, ow!

Well, they say it's kinda frightenin' how this younger generation swings

You know, it's more than just some new sensation

Well, the kid is into losin' sleep

And he don't come home for half the week

You know, it's more than just an aggravation

And the cradle will rock

Yes, the cradle, cradle will rock

And I say, rock on

Ooh, rock on

And when some local kid gets down, they try and drum him out of town

They say, you could've at least faked it boy, fake it boy  
(You could at least fake it, boy)

At an early age he hits the street

Winds up tied with who he meets

And he's unemployed

(Unemployed)

Ow!

And the cradle will rock, ow!

And, the cradle, the cradle will rock

And I say, rock on

Oh I say rock on

Have you seen Junior's grades?

Ow!

And when some local kid gets down, they try and drum him out of town

They say, you could've at least faked it boy, faked it boy

And so at an early age he hits the street

Winds up tied with who he meets

And he's unemployed, his folks are overjoyed

And the cradle will rock  
Yes, the cradle, cradle will rock  
I say, rock on  
Hey, rock on

Rock on  
(Rock on)  
Rock on  
(Rock on,say never new brain child)  
Ow!  
Rock on  
(Whoa)  
(It's crazy)  
Rock on  
(I say, rock on)  
(Rock on)  
Rock on  
(On, on)  
Rock on  
(On, on, on)  
Rock on  
(On, on, on)  
Rock on  
Rock on
