Here today, gone later today.  
I've been reading what the bloggers say.  
How about a great big slice for me?  
Otherwise or professionally.

Beats workin'.  
Startin' up in my feet.  
Goes to workin'  
On the rest of me.

Live this life of luxury  
Sho-nuff beats workin' for me.  
Kid'll land on his feet  
If he don't land on his seat.

This beats workin' baby  
'Cause I'm red hot  
Baby like it or not.

Don't you know that  
This beats workin' baby  
'Cause I'm red hot  
Baby like it or not.

One empty floor  
Stands between the stage  
And the welfare door.

Heads or tails  
Of the same bread.  
Coin of the realm  
Just like the man said

Beats workin'.  
Starting up all in my feet.  
Goes to workin'  
On the rest of me.

Got a feelin' all in my head.  
Try to do it  
Like the good book said.  
Kid'll land on his feet

If he don't land on his head.

This beats workin' baby  
'Cause I'm red hot  
Baby like it or not.

Don't you know that  
This beats workin' baby  
'Cause I'm red hot  
Baby like it or not.

(Solo 1 & 2)

This beats workin' baby.  
This beats workin' baby.  
This beats workin' baby  
'Cause I'm red hot  
Baby like it or not.

(Solo 3)
