Al, do you want a click on this one?  
I don't need no stinkin' click  
Two, three, four

Some say money is bad for the soul  
Bad for the rock, bad for the roll  
Bad for the heart, bad for the brain  
Bad for damn near everything  
Oh yeah, oh!

Hey, it must be good for somethin'  
Come on, pay the rent

Telephone, telefax, telefuckin' teletrash  
Tell a cop, tell a friend, think we hit the stony end  
Nothin' left, nothin' right, now they want a bigger bite  
Everybody wants some, everybody wants big money

Oh yeah!  
They want big, fat money  
That's what I want  
Big, fat money

Too much temptation, 'nuff to kill a generation  
Space station, starvation, premature ejaculation  
This ain't groovy, this ain't funky  
It's on my back but it ain't my monkey, no!

Oh yeah!  
Gimme some of that big, big money  
That's what I want  
Big, fat money

Big, big money

Ow! smoke this, eat that, my old lady's gettin' fat  
High rise, high rent, before it's earned it's all been  
spent  
Where's it gonna come from?  
Who's it gonna go to?  
I ain't beatin', but I'm bein' eaten by money

Oh yeah!  
Big, big money, ooh  
Gimme, gimme, gimme, gimme, gimme  
Some o' that big money  
Oh yeah!  
That's what I want

Well all right  
(All right)  
Ohh, big, big money  
(Money)  
Now gimme, gimme, gimme  
Some o' that big money  
Ooh!  
That's what I want  
It's all I need  
Gimme big, fat money  
Yeah, I got a wallet full

Gimme, gimme, gimme, gimme  
Grab me some o' that big fat money
