Ow, yeah  
Oh, oh, ohh  
La

Now, who's that babe with the fabulous shadow, ah?  
Oh, oh so what scene?  
But to me it don't matter

Ow her movies get down like you won't find in my  
hometown  
(Oh, no)  
They won't believe it when they  
(Oh, no)  
See what they're seein'  
Go see baby now

Pictures on the silver screen  
Greatest thing you've ever seen  
Now her name is up in lights  
Everything turns out all right

Daddy's little sweetie after some damn rainbow  
Oh, oh got the big deal in the back of a limo  
Uh hey

Now show biz is so thrillin'  
The camera rolls, she's willin'  
(Oh, no)  
They won't believe it when they  
(Oh, no)  
See what they're seein'  
Go see baby now, ah

Hey, you remember when that girl was Prom Queen?  
(Oh, wow)

Take it off, take it all off  
Woo ow woo aw, yeah  
Woo woo ow yeah

Pictures on the silver screen  
Greatest thing you've ever seen

Now her name is up in lights  
(Woo)  
Everything turns out all right

Now they believe it  
Now that they've seen it  
Go see baby now  
Ah, ha ha

Pictures on the silver screen  
Greatest thing you've ever seen  
Now her name is up in lights  
Everything turns out all right

Lights, camera, action
