Oh, here we go
Yeah yeah

Yesterday, I saw my love light shine
Straight ahead in front of me
You never really know
When love'll come or go

But yesterday I was alone
Suddenly I walked you home
I never really knew
What love could make me do

I'll send the message in a bottle
(I'll send the message)
An' trust in the mercy of the sea
Stormy weather, oh yeah
Waitin' for love to set me free

Everyday I watch the tide roll in
Stay until it rolls away
Though nothing's on the shore
I'm runnin' back for more

I'll send the message in a bottle
(I'll send the message)
N' pray for the mercy of the sea
Stormy weather, oh yeah
Waitin' for love to rescue me

Hey, feels so good
(So good))
And it feels so nice
(So nice)
When love comes around
I feel good so good, so good
(So good)
An' it feels so nice
(So nice)
Ow! Feels so good

Yeah, feels so good

(So good)
And it feels so nice
(So nice)
When love comes around
I feel good
(So good)
Hey, gonna make her feel nice
(So nice)
When love comes around

I feel good
(So good)
So good, so good, so good
(So nice)
Now come on baby, make me feel good
(So good)
Get up, get up, get up, get up
(So nice)

Hey baby, I feel good
(So good)
Now come on, now come on
(So nice)
