(Words by Van Halen)

Ah, lazy eyes in the summer heat  
Fresh from out of town  
Now she's working on the street  
Shake them poor boys down

Woo (Girl) Woo, Girl gone bad, ye-ah  
(Girl) Girl gone bad

Found that girl with a lonesome john  
When she should have been with me  
Guess that woman fall in love  
She don't work for free

(Girl) Girl gone bad  
Yeah  
Ah! Ah! Ah! Ah!

Ooooooo-oh!  
Ooooo-oh!  
Oh!

(Guitar Solo)

Mmmmmmmmmmm...  
Ah

(Girl) Girl gone bad  
Whoa! (Girl) Girl gone bad  
Ow! Yeah (Girl) Girl, ooh, ooh, ooh  
(Girl) Ooooh. Oh! Oh! Yeah!  
Aw! (Girl) Say. Say. Uh!
