I can see that you've got fire in your eyes
And pain inside your heart
So many things have come and torn your world apart
So baby, baby, don't give up

If you want love, you've gotta give a little
If you want faith, you've gotta believe a little
If you want peace then turn your cheek a little
Oh, you've gotta give, you've gotta give, you've gotta
give to live

An empty hand reaching out for someone
An empty heart takes so little to fill
It's so much easier to push instead of pull
So baby, baby don't give up

And if you want love, you've gotta give a little
If you want faith, you've gotta believe a little, yeah
If you want peace then turn your cheek a little
Oh, you've gotta give, you've gotta give, you, you've
gotta give to live

Each man's a country in his own right
And every body needs a friend
One friend, one God, one country
No man need defend, no, no

I believe in fate and destination
So much of that lies in our own hands
So if you know what you want, well then you go on out
and get it
Oh baby, baby, oh baby don't you ever give up

'Cause if you want love, you've gotta give a little
And if you want faith baby you've gotta believe
You want peace, turn your cheek a little
You want love, you've gotta give
If you want love, if you want faith, you wanna believe
You wanna love somebody, you wanna share your love
You wanna give your love
Give a little bit, give a little bit, give a little bit
Give a little bit, give a little bit, give a little bit

Give a little bit, give a little bit

You gotta believe and you gotta give

Give a little, give a little bit, give a little bit, give a little
bit

You gotta give a little

Oh baby sayin', you gotta give, I gotta give, we gotta
give to live
