Hello baby! Hah!
Yeah-yeah-ow!
Ow!
Ow

Dig it
Wow!

U.S. Prime, Grade A stamped, guaranteed
Grease it up and turn on the heat
You got ta' throw it down and roll it over once, maybe
twice
And chow down, and down and down and down!

Whoo!

'Cause she's good enough, good enough ta
Huh!
Me, I can't get enough, I can't get enough
When it's, good enough ta
Ahh!

Hey! Oh, me, I been working up an appetite
It seems like the harder I work, the more my body
needs. Wow!
I like to open up. Come on give me six on the half-shell
'Cause it's 3-6-9 time

Whoo!

"Cause she's good enough, good enough ta huh!
I can't get enough, I can't get enough
Wow! She's good enough
She's good enough
Good enough, ta
She's good enough ta
Oh!

(Guitar Solo)
