Time after time we  
Walk pass the window  
But never see the ashes on the ground

Night after night  
Watching the sky move  
Never feel the earth spinning 'round

I didn't see you fallin'  
I couldn't hear you callin'  
Born with eyes wide open never learn to see

I never ment to hurt you  
Was right there crying with you  
Why do we harm the only thing we want to be

Trying to follow  
Every footstep  
I feel so lost along the way

Reading the scripture  
Straight from the gospel  
Never understanding what they say

I didn't see you fallin'  
I never heard you' callin'  
I've got my eyes wide open  
But haven't learned to see

Yeah

I never ment to hurt you  
Was right there crying with you  
Why do we harm the only thing we want to be

I just gotta be  
Me  
I just gotta be  
Me

Yeah

[GUITAR SOLO]

I didn't see you fallin'  
I never heard you callin'  
I've got my eyes wide open but never learned to see

I never ment to hurt you  
Was right there crying with you  
We only cage the very thing we want to free

I just wanna be  
I just gotta be

I just gotta be me  
I wanna be

Yeah

[Screams]
