(Words by Van Halen)

I got a one track mind  
My blinders up  
Now all I gotta do is get up, go out, and get her  
Got the first step down  
Uh-know what I want  
All seven senses tryin' to deliver

Now baby, let me fill you up inside (Up inside)  
Spread your wings and (Open wide) open wide  
So hot! So hot! So hot!

I'm a man on a mission  
Straight ahead, less talk, more action  
With no distractions  
I'm all conditioned, thoroughbred  
Go for the action, with no distractions yeah

You give every inch  
Flesh, blood and bone  
And it's all wrapped up in a tight little bundle  
Got an open mind, do anything  
I been aware the ball might roll or tumble

So, right down to the bottom of the top (Ooo-oooh)  
I'm gonna do it all in one big pot (Big pot)  
Yeah! She got! She got! Me hot. Uh!

I'm a man on a mission  
Straight ahead, less talk, more action  
With no distraction (Ooooo)  
I'm on a mission  
I'm a thoroughbred Less talk, more action, with no  
distraction (Ooooo)  
Ow, yeah! Uh!  
I got no distractions  
So get on, outta the way

Only thing that's on my mind  
Ah, she sure got my attention  
Once you taste the real kind

Ohhhh!

(Guitar Solo)

Uh! Ahh! Come on!  
She got. She got. Ah  
Man on a mission, straight ahead  
No talk, no action. I got no distractions  
I'm all conditioned, what I say  
A man on a mission, up ahead  
Ah yeah! Woo! My kinda action  
Ow! Uh!

No distractions  
I got no distractions  
No distractions. Uh!  
No distractions, I'm on a mission  
Woo! Ow!
