(Words by Van Halen)

Ow! Forgive me father, for I have sinned
I've been through hell and back again
I shook hands with the devil
Looked 'im in the eye
Looked like a long lost friend

Ow-ah, anything you want, any dirty deeds
He's got everything 'cept what I really need
Keepin' me temporarily satisfied
But not one thing I've tried
Filled me up inside or felt like mine
Mine all mine

Yeah, the search goes on
The more I look, my world keeps gettin' smaller
Staring at the sun, searchin' for the light
Almost ended up blind Some only see what they wanna
see
Claiming victory, oh but that's not me
Gimme truth, gimme somethin' real
I just wanna feel like it's mine all mine

(Ooh-ooo-oooh)
Ooh-oo-oooh, really mine
(Mine all mine)
Come on, 'n gimme somethin'
(Ooh-oo-oooh)
Somethin', that's mine all mine all mine

(Guitar Solo)

Mine all mine

All the words on the wall look the same in the mirror
Every riddle and every clue
Ow, you've got Allah in the east
You've got Jesus in the west
Christ, what's a man to do?

They'll find a cure for anything

Just kill the pain or numb my brain
We see a man speakin' the word of God
Provin' to be a fraud. his own church applauds
Stop lookin' out, start lookin' in
Be your own best friend
Stand up and say "Hey! This is mine!"

(Ooh-oo-oo)
Ooh, all mine
(Mine all mine)
Yeah
'N baby you've got somethin'
(Ooh-oo-oo)
Uh! An', and I got somethin'
(Mine all mine)
Hey, and it's mine all mine all mine

Uh!
(Mine all mine)
Ooooh!
(Mine all mine)
Yes, I'm searchin'
(Mine all mine)
Uh-I got to have it
(Mine all mine)
Oooh ow!
(Mine all mine)
Well
(Mine all mine)
Got ta, got ta, got to
(Mine all mine)
Got to have it. Ow!
(Mine all mine)
Uh! Uh! Uh!
(Mine all mine)
You got! You got! You got! You got!
Mine all mine
