Now I know none of this was planned, it all just kinda  
happened  
I got more than I wanted, but how is still a mystery  
Obsessed with this feeling, I trusted it, so I followed it  
I'm tripping and stumbling across the land, full of  
miracles  
Into a world so far from home, miles and miles from  
nowhere  
Rooms without doors open for me, oh no  
Taking me miles and miles from nowhere  
Oh (miles and miles), oh yeah  
Lost in this pleasure dome, lost in my own pleasure  
dome  
Oh man, I ain't got a clue, how you get out, or how to  
find this place  
I want my control back, but I'm afraid, I'll lose that  
feeling  
Lost in a world so far from home, I'm miles and miles  
from nowhere  
Falling inside my own pleasure dome, I'm miles and  
miles from nowhere  
Oh (miles and miles), oh yeah  
Lost in this pleasure dome, lost inside my pleasure  
dome  
(Solo)  
Lost in a world, can't find my way home, miles and  
miles from nowhere  
Falling inside my own pleasure dome, miles and miles  
from nowhere  
Millions of miles, oh no, miles and miles and miles  
from nowhere  
Miles and miles and miles and miles, oh  
Lost in this pleasure dome, lost inside my pleasure  
dome, yeah
