Oh...

Oh...

That's right...

She don't like it when it's cut right

And don't like me makin future plans

And don't want me tryin' to live it down

She ain't about to give an inch of ground, no..

Well she can take me for is a little ride

Just as long as she drives me home

Around the block, maybe once or twice,

And then some lovin, wouldn't that be nice, yeah!

I want what I wanted

Oh, what a fool believes

I got 'er in my sights, but

Just out of reach.. oh-oh

Here we go around, (round, round, round)

Run-run-runaround, yeah! (round, round, round,
round)

Here we go around, (round, round, round)

She's given me the runaround, yeah, ow! (round,
round, round, round)

I just love 'er keepin' me hanging on,

She knows exactly what I need

And right down to the knick of time,

I'm chasin love down a fine, fine line, ow!

I want what I wanted

Oh, what a fool believes

I got 'er in my sight, but

Just out of reach, oh-oh

Here we go around, (round, round, round)

Run-run-runaround, yeah! (round, round, round,
round)

Here we go around, (round, round, round)

She's given me the runaround, oh, ow! (round, round,
round, round)

(solo)

Yeah, hey, yeah!!

Ooh, yeah....

Ooh, ahhh, goes like this

Listen baby... ooh, ow, ow, uhh....

Oh, man it's hard enough, yeah..

And you make it harder..

Fill me up and then I'm satisfied, own me
She owns the time.
Here we go around, (round, round, round)
Run-run-runaround, yeah! (round, round, round,
round)
Here we go around, (round, round, round)
She's given me the runaround, oh, ow! (round, round,
round, round)
Here we go around, (round, round, round)
Run-run-runaround, yeah! (round, round, round,
round)
Here we go around, (round, round, round)
She's given me the runaround, oh, ow! (round, round,
round, round)
Oh!
Whoa, yeah around,
Oh, I like it
Ow, I like it
Uh, I like it
Yes, I'm gonna like it
Babe, I said I like it
Uh, I said I like it
Uh, I like it

Pleasure dome
Now I know none of this was planned, it all just kinda
happened
I got more than I wanted, but how is still a mystery
Obsessed with this feeling, I trusted it, so I followed it
I'm tripping and stumbling across the land, full of
miracles
Into a world so far from home, miles and miles from
nowhere
Rooms without doors open for me, oh no
Taking me miles and miles from nowhere
Oh (miles and miles), oh yeah
Lost in this pleasure dome, lost in my own pleasure
dome
Oh man, I ain't got a clue, how you get out, or how to
find this place
I want my control back, but I'm afraid, I'll lose that
feeling
Lost in a world so far from home, I'm miles and miles
from nowhere
Falling inside my own pleasure dome, I'm miles and
miles from nowhere
Oh (miles and miles), oh yeah
Lost in this pleasure dome, lost inside my pleasure
dome
(solo)
Lost in a world, can't find my way home, miles and

miles from nowhere
Falling inside my own pleasure dome, miles and miles
from nowhere
Millions of miles, oh no, miles and miles and miles
from nowhere
Miles and miles and miles and miles, oh
Lost in this pleasure dome, lost inside my pleasure
dome, yeah
Lost, lost
