Oh, yeah!  
Huh!  
Huh!

Walk me down to the wishin' well  
Help me find that miracle  
Splash that holy water on me  
Drown my faith in Trinity, yeah  
Oh, Lord

Little by little gonna get it I swear  
One more piece of the puzzle, I'm there. Yeah  
Gotta get lucky, gotta get that done  
Little bit o' luck never hurt no one

Come on, take me down, down, down, down  
I'm in a cold sweat  
Lord, don't let me drown, drown, drown, drown  
In Mother Earth's soul, yet!

Oh, yeah yeah!  
Under darken skies  
We'll see the light

Yeah!

Broken now, I can't help but feel  
Someone cracked the seventh seal

Nothin' sacred, nothin' left unturned  
When nothin's simple, then nothin's learned

So take me down to the virgin spring  
Wash away my suffering, oh  
Splash that holy water on me  
Wash my eyes so I can see

Come on, take me down, down, down, down  
I'm in a cold sweat  
Yeah, don't let me drown, drown, drown, drown  
In Mother Earth's soul, not yet  
Lord, I think I found, found, found, found, found

My mother lode! Hey!  
Oh, yeah!

Lord, Lord, Lord, Lord, Lord, Lord  
Yeah! Down, down, down, down, down, down  
Take me down, down, down, down, down, down  
(Down, down, down, down, down, down)  
Take me
